

A KIND OF HUSH Les Reed / Geoff Stephens. Sung by Herman's Hermits

There's a kind of hush all over the world tonight,
All over the world you can hear the sounds of lovers in
love,

You know what I mean.

Just the two of us and nobody else in sight

There's nobody else and I'm feeling good just holding
you tight.

So listen very carefully,

Closer now and you will see what I mean,

It isn't a dream.

The only sound that you will hear

Is when I whisper in your ear

I love you forever and ever.

There's a kind of hush all over the world tonight,

All over the world you can hear the sounds of lovers in
love.

So listen very carefully,

Closer now and you will see what I mean,

It isn't a dream.

The only sound that you will hear

Is when I whisper in your ear

I love you forever and ever.

There's a kind of hush all over the world tonight,

All over the world people just like us are fallin' in love.

Yeah, they're fallin' in love, (hush)

They're fallin' in love.
